# Dear Valued Customer:

Grapentin Specialties was established in 1984 by Jeff G. Grapentin. His vision is to manufacture and distribute high quality products with competitive pricing, outstanding service, and to have what the customers need when they need it.

We desire to grow but never to grow too fast that we would lose product quality, competitive pricing, or outstanding service.

May your business grow and prosper.

Gratefully Yours,

Jeff Grapentin
